"No words to describe how community oriented and diverse the PWPL is. A wonderful place to meet, share, and learn!" ~Facebook review

"Over the course of our lives we've moved a lot. I've learned that you can tell a lot about the community by their library. We're looking to move to the U.P. , and have visited other cities to try and decide where we want to settle. After visiting PWPL, I think we want to live in Marquette!" ~Newspaper Patron
